WHY LINE DANCING?

*More Than Instruction
We Create Engagement*

Line dancing has always been a crowd-pleaser. From The Electric Slide to The Wobble, most of us haven't attended a wedding or large event without it. And now, it's hotter than ever!

At LineDance4You events, guests find themselves laughing, high-fiving, and dancing alongside people they may have never met—or never had a reason to talk to. Even those who stay off the dance floor can enjoy watching the interaction and cheering others on.

Why It Works:

- Beginner-friendly and easy to join
- No partner, special shoes or prior dance experience required
- Encourages a low-pressure way for guests to interact
- Gets people out of their seats and engaged

How It Benefits Events:

- Creates organic connections
- Breaks down networking barriers
- Energizes the room for participants & observers alike
- Draws in attendees simply by the popularity and welcoming nature
- Fully customizable to your event

CLIENT REVIEWS

We used LineDance4You for our annual associate celebration and it was one of the best parties we have ever had. Our instructor was so high energy and got a lot of engagement from our team. They were very flexible with some changes to our timeline and really just all around were amazing to work with. The feedback that I received from our team was that it was the most fun they have had at our annual gathering and that they hope we continue to do events like this moving forward!

We've worked with LineDance4You several times now as a part of programming for our University student body - and the students LOVE it! Our instructor always is high energy, fun and entertaining; Danielle - who was working with us to schedule and coordinate details - responds quickly and is so communicative. It's the highlight of any event, and it got everybody engaged - from students to staff!

Everyone at LineDance4You was amazing to work with!

We had the pleasure of featuring them at the afterparty of my company's largest annual Gala... and they were nothing short of fantastic from start to finish! They were extremely flexible and had no problem accommodating a few last-minute ideas from our team.

We always try to find a new and exciting element to get our guests excited for the Gala's afterparty, and their line dance instruction quickly became a highlight of the evening. Their ability to read the room and tailor the experience to our diverse group was impressive. If you're looking for a unique, interactive, and memorable addition to your event, we can't recommend them enough!
